### An Unblemiseed Complexion

An Unblemiseed Complexion
Is, like as sweet voice, "an excellent thing in woman." Where it does not exist naturally, it may be imported by artificial means. "Glema's Sulphur Song," removes all the unpleasant effects of dust and perspiration, obliterating blotches, tin and all either thoselormians of the shin; more than this, it gives a healthy that to the cheeks, and a lustrous whiteness and smeethness to the unck and arms. It is the fishiomable comments at the watering places, and, as science vouches for its haunfessmens, no larly nest be afraid to use it. Because of constortaits. Sold by druggists. A fitting tolet necompationer is "Hilly Instantaneous Hair Dye," which changes gray or may elementum out a beautiful black or brown in the space of a few minutes, and contains no mineral poison.
